High-Efficiency Ultra-Low Temperature Freezers

Save on your next -80 freezer purchase!

Thermo Scientific has partnered with the Instant Rebates Program to make sure energy-efficient ultra-low temperature (ULT) freezers are available at competitive prices for our customers in California. Energy efficiency is a great way to conserve electricity while reducing your monthly utility bills.

Get lower prices at the point-of-sale without having to fill out paperwork or submit rebate applications

How it works:

Choose from a variety of qualifying ULT freezers and get valuable Instant Rebates as a discount on your invoice—no paperwork, no waiting. It's easy—here's how:

1. Choose qualifying equipment.
2. Confirm your equipment will be installed at a non-residential facility that receives electricity service by PG&E, SCE, or SDG&E.
3. Receive an Instant Rebate on your invoice.
