**The Journey of UCSC's Waste**

**Landfill basura**
- Place plastic bags, film and bubble wrap in the landfill bin.
- Landfill is taken to the Dimeo Lane Landfill.
- Remains in landfill forever.

**Recycling reciclaje**
- Clean paper: Papel limpio
- Hard plastic: Plásticos duros
- Glass and metal: Vidrio y metal
- Food scraps: Desechos de alimentos
- Recycling is taken to ReGen Monterey, where it is sorted, screened and compacted.
- Items sold to commodity markets to be made into new products.

**Compost abono**
- Compostable products: Artículos compostables
- Soiled paper: Papel sucio
- Organic waste is taken to ReGen Monterey and it is placed into long windrows.
- Eventually, the organic waste turns into soil.

**Custodial staff**
- Collects waste from buildings and brings it outside.

**Grounds staff**
- Consolidates waste and drives to processing facility.
